### **LOOK SHARP!**

#### **Cecil Sharp's Visit to Winster 1908**

'Look Sharp!', which commemorates the visit exactly 100 years ago of the folksong pioneer and collector Cecil Sharp, promises to be one of the biggest gatherings of morris dancers ever seen in Derbyshire. But it will also be a day of fun, drama, music and song, especially for the children of three local schools at Winster, Elton and South Darley, who are taking part in workshops during the weeks before the event. They will be morris dancing, maypole dancing, folk-singing, making large puppets of the morris characters and learning about Derbyshire's heritage. It will also be a wonderful opportunity for them to perform their work. Winster Morris Dancers are grateful to the Heritage Lottery Fund for its support. The grant will enable us to pass on our dances to the next generation."

A highlight on the Friday will be a re-enactment of Sharp's arrival. 'He' (actor Steve Tomlin) will arrive by steam train at Darley Dale station as he did in 1908 – thanks to Peak Rail – and take a pony and trap up to Winster where he will visit the school to see children's work. On Friday evening there is an entertainment featuring folk singer Keith Kendrick and a special appearance by Cecil Sharp. On Saturday, June 14, over 100 dancers from as far away as Oxfordshire and Essex will converge on Main Street to dance. During the day, six teams will tour at least eight Peak District villages on their way to Winster for the spectacular finale.

## **Citizens Advice Bureau—Income Tax Changes**

You may be worried because the amount of tax deducted from your income has increased since the disappearance of the 10% tax band. Most people are in fact better off as a result of the package of changes which took effect last month.

If you are concerned that too much tax has been deducted, contact the HMRC Local Enquiry Centre on 0845 3667802.

Remember that the amount of tax deducted may have been affected by changes in your gross income, including pensions, or a change in your tax code or allowances, as well as by the actual change in tax rates.

If you are 25 or over and working 30 hours a week you may be entitled to claim Working Tax Credit, contact the Tax Credit Helpline on 0845 300 3900.

## Winster Village Shop John Mills

More than fifty people gathered in the Burton Institute on 12<sup>th</sup> May to offer their ideas about how the “New Look Winster Village Shop” should be.

Everyone sat in small groups. Wine and fruit juice were supplied by the shop. Any hopes that this was another Quiz Night were dispelled by John Mills’ introductory explanation of the reasons for the meeting!

Simon Reynolds gave a brief talk about last years Customer Survey. David Mitchell told the audience about the progress of the alterations. Led by Oona, the groups then discussed what they thought were the Shop’s strong points and where it needs improvement. After the groups had compared notes there was a slide show of different village shops, greengrocers and delicatessens to stimulate ideas.

The groups were then given the task of deciding how the new shop should look and “feel” and what should be in it. This set imaginations going and some original and creative ideas emerged. At the end of the evening, all the drawings and comments were taken away for close examination so that all the ideas can be brought together.

Everyone seemed to enjoy the evening. It was the first stage in giving the people of Winster an opportunity to decide how their Village Shop should look and what it should offer. It is intended to hold a follow-up meeting in mid-July to discuss and develop the ideas. Hopefully there will be a more representative mix of the residents of the village at that meeting.

Anyone who has any ideas, suggestions or comments about how the shop might change for the better should send them to John Mills on West Bank or give him a ring on 650549. Or Oona at The Old Brewhouse on Main Street. All suggestions are welcome. And **please do come** to the next meeting. All are welcome. Date will be announced in the next Mag.

## News from Village Shop Steve Flitter

Well, in last month's issue I asked you to keep your fingers crossed but at Monday night's public meeting we indicated that we did not expect the work to be completed by the contractors. However, low and behold, on Tuesday a team of plumbers, builders and electricians appeared – the lord moves in mysterious ways – but keep them crossed.

The meeting was very productive with some good ideas, however some things we already do and some were a little impracticable but it showed that people were interested in a positive way, many thanks to Oona and John.

It would have been nice to see more residents from Leacroft road and Wyntor Ave. as your views are very important. Even if you are happy, tell us - if you do not use the shop, tell us why.

I hope the offers are attractive and you take advantage of the scheme, it has only been possible by negotiation with suppliers because sales have increased and with the added bonus of leaflets and posters free of charge it is helping with publicity and promotion of the shop. However we still need deliverers so please don't be shy.

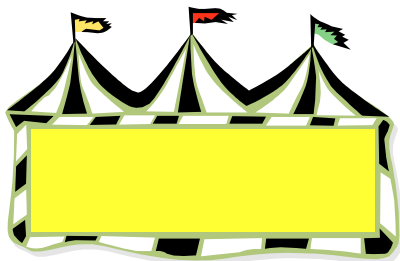

Monday June 2<sup>nd</sup> to Friday June 7<sup>th</sup> we are celebrating National Cuppa week, so why not pop in for a chat, a free cuppa and special prices on all brands of tea while supporting your local shop between 10am and noon each day.

Don't forget we take orders, deliver free of charge and deliver your papers, but the best way to know what we offer is to come into the shop and see for yourself. Every valuable pound you spend is a pound we would have lost if you do not spend it within the village.

***Shop local and keep your village alive***

As many of you will by now know on the 12<sup>th</sup> April I moved from West Bank to my new home on Main Street. I would just like to take this opportunity to thank family, friends, and neighbours for their support, cards, kind messages, and gifts I have received over the last few weeks. All were very much appreciated and enjoyed.

### Secret Gardens – 19<sup>th</sup> and 20<sup>th</sup> July 2008

Secret Gardens 2008 may seem some way off yet, but we have already done quite a lot behind the scenes –publicity about the event is already being circulated and we have two coach parties booked in so far!

If you have opened your garden in previous years, you should have received a letter asking whether you would like to open your garden again this year.

If you are interested in opening your garden for the first time, we would love to hear from you. We always welcome new openers and like to have a wide range of garden styles, types and sizes. For more details please contact Gill Geddes (650364) by no later than June 15th.

### Cottage to let

Situated in a quiet and out-of-the-way part of Winster, Stepney House (a 2 bedroom cottage) has just been redecorated and is available for long term let at £495 per month.

Unfortunately the garden, which has beautiful views over the village towards Birchover, is not suitable for young children.

A big thank you to all the kind people who responded so generously to my plea for fabric for our daughter's wedding bunting. The finished article looks absolutely brilliant!

I'm now looking for rose petals to dry, as the vicar of the church in Usk where she is getting married will not allow confetti. June being the month when we hope our roses will bloom if anyone can spare a rose or two I would be so grateful - anything between a bud and an overblown rose, any colour but preferably without brown spots!

Offerings can be left in our back porch if we are out.

Lyria Jones, Buxton House, East Bank. Tel 650178. Thank you.

### THANK YOU TO EVERYONE INVOLVED IN THE WINSTER PRE-SCHOOL FASHION SHOW

The Winster Pre-School Ladies Fashion Show and Sale was held on Thursday 15<sup>th</sup> May at the Burton Institute. A fun evening was had by all and many attendees managed to bag a bargain at the same time.

Special thanks to the models: Janice Ashin, Jasmine Banks, Gill Elliot, Emma Erskine, Mandy Marsden, Rosie Strauss, Jane Usher and Louisa Walker – they all looked fabulous, threw themselves into it and did a fantastic job on the night.

We raised approximately £320 after costs, which is excellent given that we received no commission from the sale of the clothes. We may hold a similar sale next year, if you have any feedback in respect of the show please contact Sharon on 650718 or any of the Pre-School committee.

This month let's have a few questions about Shakespeare. Believe me, they won't be difficult I'll give lots of clues.

SHAKESPEARE.

Will wrote romance and comedy  
And horror in between.  
He died when he was 52  
In the year 1616.  
With his parchment paper and his pen,  
If he put us to the test  
Hamlet, Othello and King Lear  
Are the ones we know the best.  
Alas! Poor Yorick I knew him well  
Was another famous one.  
And King Richard fighting for his life  
Found out his horse had gone.  
But the words he is most famous for -  
I think you will agree  
Are the most immortal ones of all -  
to be or not to be.

1. How many vowels in Williams surname?
2. Who did he marry?
3. Which of the following did he NOT write?  
1. Macbeth. 2. Prince of Jericho. 3. The Winter's Tale.
4. How old was he when he died?
5. How many children did he have? 0-1-2-3-4-5.
6. Where was he born? Newcastle-upon-Tyne. Stratford-upon Avon. Burton-upon-Trent.

Do take care. More next month. Joyce. (see page 9)
