### **Halloween at Winster Shop Best Fancy Dress and Pumpkin Competition 2015**

Following last year's success, Winster Shop is again holding a Best Fancy Dress and Pumpkin Competition this Halloween. We are inviting all of the Winster 'trick or treaters' to join us at the village shop for 6:30pm on Saturday 31 October 2015.

Everyone in fancy dress will be given a free treat from the shop and then we will be handing out prizes for the most terrifying costumes. At the same time we will also be holding a 'best pumpkin competition'. If you are feeling creative, competitive or just want to have a bit of fun, bring your pumpkin to Winster Shop by 5pm on Halloween. Make sure you put your name and age on the back. All the pumpkins will be lit-up outside the shop on Halloween night for all to see.

The fancy dress and pumpkin competitions will be judged in categories of:

11 years and under

12 years to 16 years

16s and over – so even the big kids can take part this time!

This year, 'The Judge' will be back and he will once again have the task of choosing the most frightening costume and the scariest pumpkin.

We hope that you will join us again and help to light-up Halloween in Winster!

**Shrink your bills, not your clothes.** 90% of a washing machine's energy expenditure is spent on heating the water, so if you wash your clothes at 30-40 °C you're saving significant amounts of money.

## **Operation Christmas Child - boxes.**

You may already know that the flat-pack boxes are now available in the shop, as well as the leaflets which tell you how to pack the boxes – what sort of items to include and what items **cannot** be sent.

Please send £3 per box which goes towards the transport costs – the leaflets contain an envelope in which to put the money. Alternatively, the money can be donated on-line where you have the option to have a barcode emailed to you which will allow you to know where your box has been sent. You can still use shoe boxes if you wish. Please return the filled boxes to the shop by Nov 20<sup>th</sup> at the latest but it would be helpful if you could get them there earlier.

Enjoy packing your boxes. Marion Bowler

## **Which is better?**

The new road sign at the end of the Main St, or the old clutter that used to be? Since this sign was erected there has been a 60% drop in HGVs going up West Bank. However, it seems there has been an objection to the siting/ wording/size (or anything else) of this sign which has necessitated a site meeting to discuss it. The results of that are awaited with baited breath.

## **David Strauss**

We should like to extend a huge thank you for the love and support from friends, acquaintances and the local community since David died in August. Winster is just the best place to be if you are going through a difficult time..... His funeral was a comforting tribute and we were touched by the turnout, the music, the singing, the readings and Ian Aldersley's sensitive conducting of the service.

You will be aware that David was living with cancer; we have donated the money, so generously given in church, at the pub, in the shop and on-line, to Beating Bowel Cancer in his loving memory [www.beatingbowelcancer.org](http://www.beatingbowelcancer.org) Over £600 was raised and this will be used to run a nurse-led specialist helpline, among other practical and emotional help. Thank you all so much,

Rosie, Will, Oliver and family

### **SINGERS WANTED PLEASE**

Winster Village Choir is our community choir which has been active for many years. Currently this small, but enthusiastic group of singers is looking to increase its repertoire and for that, needs new members, in particular tenors and basses. These voice parts are traditionally sung by men and naturally, men are always needed, but if any ladies know they prefer to sing lower down the scale, they would be more than welcome.

You don't need to be able to read music, nor do you need a 'fantastic' voice.

There are no auditions so the choir is open to all.

The choir is also seeking a new Conductor and/or pianist. Anyone with any ideas or contacts is more than welcome to approach us.

Please contact Ali Carter on [aliabsolute@hotmail.com](mailto:aliabsolute@hotmail.com)

The Winster Darby & Joan club members would like to express their appreciation to the Carnival Committee for all their hard work and for their generous donation of £200. It is a very welcome asset to our future finances. Thank you.

Gill Geddes Chair, Secret Gardens of Winster

A great big thank you to Adam and Louise who organised the very successful Annual Conker Competition last Sunday, where everyone had a great deal of fun and it even rated a review on TripAdvisor from a group of very happy visitors!

These events seem just to "happen" and the amount of work going on behind the scenes to ensure that this is the case is not appreciated by those of us who just turn up and join in. So a big thank you from all of us, not least Helen's Trust who have also benefitted from the event.

Here's to next year....

best wishes David & Marilyn

On Thursday 29<sup>th</sup> September, the children of Winster Primary School went to The Deep in Hull. We went to the bubble lift first in groups and the last group saw a swordfish and a stingray. It came above us and it was fun!

We went for lunch and then went to see the penguins. Two of them were having a race and then they started jumping out of the water. After, we went to see some sea worms. They look like worms that come out of the ground. They you move forward, the worms went back in. In the big tank, there was a catfish and a stingray went to sit down next to the catfish. Its wings took the fat catfish, and the two little blue and yellow fish kept on swimming around the stingray.

Finally, we went to the shop and we had three pounds to spend. Before we left, there was a little tank and we saw two turtles.

## Winster School: A Clerk's Eye View

I have been the Clerk to Governors at Winster Primary School for six years. Now I am moving to pastures new, I wanted to share a glimpse of the very special insight I have had into this wonderful school. During my time with the school, I have seen substantial change. (Almost) all the staff are different. The governors are too, with one or two notable exceptions: I suspect Roland Corfield, who has been a governor since the 1970s, may out-serve us all! The school I leave is rated 'Good' by Ofsted - a notable achievement. The passion shown by teachers, parents and governors for this small school far outstrips its size. This is evident in the amazing opportunities that the children are given.

It is obvious to all that the teachers know the children well, but few will see the full extent of their knowledge. Through my work, I have seen the detailed level of understanding they have. They know exactly where each child would benefit from a little extra support – or challenge – and the governors ensure they are in a position to provide it. The SATS results bear witness to the excellent education Winster children receive.

But I'm off, and the school needs a new Clerk to Governors! If you think you could be the next person to share the 'Clerk's eye view' of our school, please contact Mike Hatfield on 650468. Or ask me – Jennie Lillis (653800). I've loved the job and would highly recommend it as a way of really understanding the education the village's children receive.

There is a famous photo of the Guisers outside Winster Hall about 1870, when Llewellyn Jewitt lived there. The current team was established 35 years ago, so this Christmas will be their 36<sup>th</sup> series of outings in and around Winster. Allan will describe some of the changes over the years, show a DVD of a performance in the Bowling Green 25 years ago, and outline the background tradition of combat drama, the 'old 'oss' and mumming plays in general.

Winster was recently listed in The Times as one of the top ten most desirable villages to live in.

“Once a lead mining industry today Winster engages in more tranquil pursuits with two pubs, a community-owned village shop and access to walks and cycle trails. Property prices have increased 13% in the last year”.

I guess they don't know about the recent conker competition....

**Free childcare for two year olds available in January**

Derbyshire families with a household income of less than £16,190 a year or who claim working tax credits or certain benefits could get up to 15 hours of free childcare a week for their two-year-olds. And if their child turns two before the end of December, they could start in January. Parents can choose to use a pre-school, nursery or registered childminder and the hours can be flexible.

Your District Council has opted to retain ownership of the supermarket site in Matlock's Bakewell Road and improve the rooftop car park. The decision comes ahead of M&S leasing the former Co-operative site.

At a special council meeting on Monday (12 October), members decided to reject an offer to buy the site, including the supermarket, existing roof top car park, former bus station and market hall accommodation. Councillors felt there was a financial risk of exchanging a major income stream for a single capital receipt. But that decision doesn't impact on M&S's intentions.

Monday's meeting also agreed that £270,000 should be set aside to fund repair works to the rooftop car park.

## Puzzle Page

In the following eight sentences there is a hidden word in each one. Something we all have in our living accommodation.

It must seem opportunist to take advantage but every man for himself I suppose.  
This path led us to the river but there wasn't a bridge to cross.  
Would you rather watch football or rugby they can both be exciting.  
This snake might seem ugly to us but it's mother must love it.  
Are you having open house this Christmas if so don't forget me.  
I might appeal for volunteers to help with this heavy work.  
Can I have a cup and saucer please I don't like drinking out of a mug.  
It's a case of so far so good that's the way I look at it.

Do take care. More next month.

Joyce.

## Vicar's Letter

"None of us can ever express the exact measure of our needs or thoughts or sorrows; and human speech is like a cracked kettle on which we tap crude rhythms for bears to dance to, while we long to make music that will melt the stars." (Madame Bovary)

This eloquent statement reminds us just how limited our words are. How very limited are our linguistic expressions are. This can be seen most fully in the Services this month. Think of the Remembrance Sunday Service; the music and reading are powerful and evocative and challenging but what is the most powerful part of that Sunday Service? Is it not the two minutes silence? The most powerful expression of our feelings; our sorrow, our remembrance; even our hopes for a brighter future are all tied up in this time of silence. Can I suggest that in this month of Remembering we use music, readings, prayers, poems but most of all silence. Socrates said that 'the unreflective life is not worth living'. We need to find times of stillness and silence to listen to God speaking to us. We also need to remember that we are God's beloved Children. My last piece of advice is don't give up trying to find times of silence and stillness each day - even if it's while you take a shower or drive to work. God is waiting on each of us to simply listen and be aware that he is present in our lives.

Stephen
