Welcome to the April Edition of the Winster Village Magazine

When you are reading this magazine, the weather will have hopefully decided to take a turn to the bright side. We had quite an interesting mix of heavy snow, seemingly endless grey days of rain and unusually cold temperature, so most of us are now very ready for a colourful, mild Spring! Well done Winster Village Shop for supplying the village with all essentials, when a trip to the supermarket on the snowy roads was just a tad too risky due to the 'Beast from the East'. We are very lucky to have you! Also how amazing was it to see the community spirit in action once more, such as people doing shopping trips for the neighbourhood, hard working snow wardens, and so many people just looking out for everybody around them and asking if they're ok and if they needed anything. Speaking of helping each other, the defibrillator emergency number is now more prominent in the Winster directory (p.21) as requested.

Please send your contributions, including your updates on groups, important dates and other items you would like to be published to:

Keep well, *fibi*

On 28th April I'm going to be taking part in the Swimathon again, raising money to support **Cancer Research UK** and **Marie Curie**.

My challenge is to swim 2.5km which is 100 lengths of the Arc Leisure pool. I will do this very slowly and it will give me plenty of time to think of my family, friends, neighbours and colleagues who have faced the challenge of cancer.

If you would like to help me raise money for these two charities who do so much for so many people, you can contact me on 650264, via email alison@peakdesign.co.uk or sponsor me via my 'Just Giving' page: <https://www.justgiving.com/Alison-Gray2018>

The Folklore, Legends and Calendar Customs of Winster, culminating
with a Romp through the Derbyshire Ritual Year with Richard Bradley**

Richard Bradley, who grew up in Oaker and Two Dales, has been researching and documenting the folklore, calendar customs and folk beliefs of Derbyshire and the Peak District for the past three years. As part of his research he has made frequent visits to the archives of the late Winster-based folklorist, Guiser and Morris Dancer, Dave Bathe, which are now held at the University of Sheffield.

This talk will focus on the wealth of events throughout the year which the villagers of Winster have taken part in, past to present. Richard will also attempt to get to the bottom of the village's legends and tall stories, including the 'Gurda Boggart' and the local discovery of a 'cat with wings'.

Everyone welcome.

Everyone is very welcome to both of these services, and it will be really great to celebrate with our Methodist sisters and brothers.

Spanish House to Rent May and June 2018

We have a small family house in Andalusia. We don't normally let it, but this year it's empty for most of May/June, so it's available at a modest price (£150 per week plus 30 euros for the cleaner). Sleeps 6 (2 double, 1 twin).

Ideally placed for exploring SW Spain including Cadiz, Seville and Jerez, it's on a golf course, near miles of sandy beaches, has a child-friendly garden, plenty of bodegas and fine eating places.

It will be drawn on the 28th of March at the Darby and Joan meeting.

If anyone could donate a prize Sandra and i would be most grateful, maybe on the theme of chocolate eggs or something yellow or Easter related but any prizes will be very gratefully received.

I will display as many of the prizes as possible at the side of the Post Office counter. We've always done well for our Darby and Joan raffles so please support it.

Thank you, Carolyn and Sandra.

How to find your way around Winster - and the world!

Winster is addressed by similar sounding house names, a handful of street names and about as many postcodes. It must be so disheartening for the army of delivery drivers bringing our goods from Amazon, internet grocers, eBay and their like. Some homes are more difficult to find than others, and a parking space can be even more elusive. There may be help at hand.

What3Words is a new free app for your smart phone or computer - or that of the person trying to find you. It divides the whole surface of the earth into 3 metre squares and then uniquely describes each one with just 3 words.

For example, values.numeral.harvest is the front door of the village shop - have a look at <https://map.what3words.com/values.numeral.harvest> (cloak.agency.clan is the centre of the Nine Ladies stone circle on Stanton Moor).

So with the 3 words that define your front door there is no excuse for deliveries, or visitors not turning up - unless they don't have a signal!

Winster and the wonderful world of Books!

On Thursday 8th March, the children and staff of Winster school celebrated their favourite books by coming dressed as their favourite book character. The children (and staff!) were unrecognisable, but it reminded us all of wonderful

books we have read, such as Red Riding Hood, Gangsta Granny, Alice in Wonderland, Mary Poppins and we had a few Where's Wallys, and many more!

We also enjoyed reading with our buddies and listening to a special story called 'Little Red Reading Hood'. On a serious note, the money we raised was for a school in Calcutta that we have learnt about and that members of some Derbyshire schools have visited as part of a Derby Diocese project.

We hope this inspires you to keep reading!

Reminder: Walking Group for Long Walks

Once a month on usually the second Tuesday, Winster has a small group of people who do a 8-10 mile walk. There are up to 6 people in the group, but this year it is going to be less, as the small numbers are even smaller. So if you would like to have a good walk once a month, please join the group by e-mailing marg@orchardmine.co.uk or tel **650090**. We really need more, for a variety of reasons! Marg Lester

Litter Picks

I've had a total of 25 people volunteer to do litter picks as a result of my article in last month's village mag. It is fantastic to have such a positive response to dealing with a local issue. We are planning a pick towards the end of April and I have applied to the Peak Park for a grant towards funding the purchase of our own equipment. Thank you to all those who have volunteered and if anyone else would like to be involved at any time, feel free to contact me (daveandhes@btinternet.com) and I will add you to the list.

On behalf of the parish council I express sincere gratitude to the volunteers who cleared pavements of snow during the recent severe weather conditions. Buses and Shops at Easter

While most of the world wrongly classifies Good Friday as a Bank Holiday, Hulleys choose to treat it differently. Like Christmas Day, Good Friday is in fact a Public Holiday. Does it matter? Yes, slightly:

Hulleys run Sunday services on Bank Holidays (so no buses through Winster), but on Good Friday, they run a normal weekday service. Large shops and garden centres (those limited to 6 hours' opening on a normal Sunday) are not allowed to open at all on Easter Sunday. Winster shop will, of course, be open every day: check the shop page opposite or winster.org for opening hours. John Geddes

The recent Beetle Drive at the Burton Institute was a huge success, with a fantastic £235 raised for the school with everyone having a great time. Thank you to those who organised the event and all those who came and made it such a success. We are hoping that it will become a regular event and will publish future dates when they are known.

Readycall – a Friendly Local Helping Hand

With an estimated one million older people in the UK experiencing chronic loneliness, it is reassuring to hear that a friendly helping hand is available locally. Readycall Macmillan provides befriending and practical support to vulnerable or isolated people aged 60 and over across the communities of the Derbyshire Dales.

Volunteers are matched with someone who would like a regular visitor, or assistance with light practical tasks – anything from getting to grips with the internet, to dog walking or shopping! The service can also provide lifts to hospital for cancer related appointments at a subsidised rate. A weekly visit from a volunteer can make all the difference to a person who doesn't have the chance to talk to someone regularly.

It can be equally rewarding for the volunteer, as a befriender, Nick tells us *"I enjoy it and look forward to my visits – it's nice to feel helpful and it gives me the opportunity to talk and interact with someone. If you're considering volunteering with Readycall, I'd say 'just give it a go' if you enjoy being with people and have time to spare"*

Readycall have offices in Bakewell and Ashbourne and operate throughout the Derbyshire Dales. They are funded by Macmillan Cancer Support and operate under the umbrella of Voluntary Community Services Peaks & Dales, a registered charity. For more information about accessing the service or volunteering, do contact us for an informal chat – 01629 693693, email sam@vcspd.org, or visit our Facebook page: facebook.com/ReadycallMacmillan.

Councillor's Corner

Council Tax Increase

By now you will have had your council tax bill for the coming year and seen that all levels of local government have increased their share of tax.

At the District Council budget meeting in March, councillors unanimously voted to increase its share of council tax by 2.99%. This is the equivalent of an 11p increase per week on a band D property. Nobody wants to see council tax go up and the decision wasn't taken lightly. With central government funding to local councils reducing year-on-year, councillors were left with little choice but to accept an increase in council tax. The additional money will enable the council to bridge the gap in its budget and maintain as many services as possible. As your elected representative I am accountable for the decisions I make on your behalf. So, if you wish to discuss my reasons for voting for the increase, please feel free to contact me using the details below.

Changes to Public Conveniences

Over the past few months, the District Council has carried out a review of its public conveniences across the District in a bid to cut costs. The council currently runs 26 public toilets at a cost of £467,000. Public toilets are a discretionary service and the council does not have to provide them. But with tourism to the Dales being important for business and jobs it was felt that the provision of toilets should continue. With the council's budget under pressure, however, new ways of running and maintaining them had to be found.

The decision was made to introduce a 20p charge for use of 6 of the busiest public loos. These include Matlock's Hall Leys Park, Bakewell's Granby Road and the Recreation Ground, Ashbourne's Shawcroft, Matlock Bath Memorial Gardens and Matlock Bus Station.

The charges were something I reluctantly voted for. For me, it was a case of either charging or losing the toilets altogether. I sought reassurances that the 20p charge will go back into maintaining the toilets and keeping them open.

Councillors also agreed to consult the public on the future of other toilets across the Derbyshire Dales. Options include the possibility of closures, seasonal openings or handing the facilities over to town and parish councils. Once the consultation closes, councillors will look once more at the future of the remaining toilets.

If you are interested in putting forward your views, you can take part in the consultation on the District Council website – www.derbyshiredales.gov.uk

I'm here to help. If you have an issue of concern relating to District Council services, please get in touch with me.

St. John The Baptist Church Winster

I'm writing this on Mothering Sunday. We've heard the reading which starkly said: "By the cross of Jesus stood his mother Mary." Fast forward to Easter Day, Mary Magdalene was the first to see the empty tomb and the first to speak to the Risen Lord. Although she didn't touch Jesus she knew it was really Him. The strength of the human spirit in these Gospel readings are quite amazing. Equally, the sex of a person is totally immaterial to Jesus. Sadly, we've seen centuries of the churches treating women as second class citizens. Even in our Anglican Communion the ordination of women is still not seen as totally normal. Not totally accepted. I know this doesn't sound like the start of an Easter letter, but it is important to acknowledge the deeper truth of the risen life - through the Resurrection Jesus went through paying the price in total self sacrificing love. The Good Friday events showed Jesus the Christ dealing with the consequences of humanities' sinfulness. On the Cross of Christ all our sinfulness and brokenness and pain was redeemed in the amazing love of God. The ministry of Jesus is all about love for all people. Now we live in Eastertide we have to remember that we are called to see everyone with the Risen eyes of Christ. We are no longer Gentile or Jew, Rich or Poor, Sick or Well but we are all the Children of God. Eastertide doesn't change the normality of our daily lives but it does draw our lives; our fears and pain and our brokenness into the New Life in Jesus Christ. Everything is normal, but everything is also so very different. The difference is that God has proven beyond any doubt that He loves all people, and that He wants us to know that love, and to allow it to be shared in our daily lives. Easter is the seasonal reminder that we are loved by God and He You, you are loved by God even though you may be in a very dark place. You are loved. You are loved even if everything in your life is amazing and wonderful. Easter is about love, life and that joy and peace which our world cannot understand nor accept. These two quotations are so succinct in summing up the Easter story, may they give you consolation and hope in your new life in the Risen Lord, Alleluia!!:

"Do not abandon yourselves to despair. We are the Easter people and hallelujah is our song." John Paul II

"Jesus's resurrection is the beginning of God's new project not to snatch people away from earth to heaven but to colonize earth with the life of heaven. That, after all, is what the Lord's Prayer is about." Tom Wright

With my prayers and very best wishes as we celebrate the heart of the Christian year.

False claims of Telephone Preference Service:

Fraudsters are cold-calling victims, falsely stating that they are calling from one of the well-known UK telecommunication service providers. They call victims claiming to provide a 'Telephone Preference Service' - an enhanced call-barring service, which includes barring international call centres.

The fraudsters ask victims to confirm/provide their bank account details, informing them that there is a one-off charge for the service. Victims instead see monthly debits deducted from their accounts, which they have not authorised.

The fraudsters often target elderly victims.

In all instances, direct debits are set up without following proper procedure. The victim is not sent written confirmation of the direct debit instruction, which is supposed to be sent within three days.

On occasions when victims attempted to call back, the telephone number provided by the fraudster was either unable to be reached or the victim's direct debit cancellation request was refused.

During 2017, there were 493 Action Fraud Reports relating to this fraud.

Protect yourself:

There is only one Telephone Preference Service (TPS). The TPS is the only official UK 'do-not-call' register for opting out of live telesales calls. It is **FREE** to sign-up to the register. **TPS never charge for registration.** You can register for this service at <http://www.tpsonline.org.uk>.

- You will receive postal confirmation of genuine direct debits. If you notice unauthorised payments leaving your account, you should contact your bank promptly.

Always be wary of providing personal information, or confirming that personal information the caller already claims to hold is correct. Always be **certain** that you know who you talking to. If in doubt hang up immediately.

If you have been affected by this, or any other type of fraud, report it to Action Fraud by visiting www.actionfraud.police.uk or by calling 0300 123 2040.

From the Blues to The Beatles - the Story of Early Rock'n'Roll

The development of rock'n'roll will be told and performed at an exciting new show in Winster on 21 April.

Back Seat Jivers is a band of accomplished and versatile musicians who started playing together over twenty years ago. They are Steve "Winster Legend" Salfield on tenor saxophone, Clive "Rock'n'Roll Prof" Harvey on vocals and guitar, Graham "Funky Wardrobe" Jones on double bass and Phil "The Feel" Naylor on drums. They play vintage popular music ranging from early rock'n'roll through jazz, rhythm'n'blues, swing, and even ska.

In this new show they tell the story of rock'n'roll from its roots in the blues up to the early days of The Rolling Stones and The Beatles. Singer and guitarist Clive is a mine of information about rock'n'roll and his entertaining narrative will be generously illustrated with musical examples from the band. The second half of the evening will be a Back Seat Jivers eclectic set of vintage rock'n'roll music - great for dancing or just listening.

The show is on Saturday 21 April at 8pm in the Burton Institute, Winster DE4 2DQ. The bar opens at 7.15. Tickets (£10) are available from Winster Post Office (local people please use this outlet) or 01629 650523 or rodneyshiers@gmail.com.
