### Wakes Week Events:

As always the Carnival week is packed with events, way too many to list in the diary here. You should have received your Carnival programme with all the details. If you haven't then you can get a copy in the shop or got to [www.winster.org](http://www.winster.org) and click Winster Wakes.

## Welcome to the July Edition of the Winster Village Magazine

When you are reading this, Winster Wakes is either in full swing or about to begin. I've put a few reminders in for volunteers and cakes/sandwiches, so please help if you can this year or in the years to come. The Carnival programme is also available online, so if you haven't received yours, or can't locate it anymore, buy a spare copy in the shop or just go onto the Winster website [www.winster.org](http://www.winster.org) and click on 'Winster Wakes (Carnival)'. During Wakes week, there is so much to do and to see that it's nearly impossible to be part of everything on offer. You can always try of course and tick off the events in the programme to see how much you have covered. Thanks as always to the committee and organisers for such a wonderful and diverse programme of events. If you want to have a go at baking traditional cakes for the occasion, I've found a recipe for "Winster Wakes Cakes" that you might like to try (p.20). If everything goes to plan, the cakes should resemble something like fruit shortcake biscuits. Whatever you choose to do, have a great Winster Wakes week!

*Please send your contributions, including your updates on groups, important dates and other items you would like to be published to:*

Keep well, *Jabi*

### Readers' Letters & Noticeboard

#### **Winster C of E Primary School - Please can you help??**

In KS2 class we have been lucky to have some regular adults come in weekly to listen to the children read, but recently this has not been possible. What a lovely way to spend 1-2 hours a week? Ms McCluskey and Mrs Gotheridge would love to hear from anyone who would like to come and read with our lovely children! Many thanks.

#### **Help needed for winding the church clock**

Steven White has wound the Winster church clock and kept it on time for several years, but he and Julie expect to be leaving Winster in the Autumn of 2019. We thought if possible it would be good to have a team of people to take over this job on a rota basis. The reason for the early request for help is so that Steven can show folk how to put the clock back in the autumn and of course forward to summer time next spring and how to regulate it. If anyone is interested, please contact Marion Bowler on 650261 or Steven on 650005. There is a small remuneration for the work.

**Cleaner needed at St John's** for two hours paid work per week. Please contact Marion Bowler on 650261 for further information.

Having read in last months' Winster Village mag about Derbyshire Dales District Council no longer providing free black bags for household rubbish, we thought this was wrong as we assumed these bags were provided free with paying our council tax. Householders on most of East Bank have never been provided with wheelie bins.

We contacted our MP, Sir Patrick McLoughlin, who investigated this matter on our behalf, and we received a letter from him and the DDDC stating that we ARE eligible for a black wheelie bin as the refuse lorry is now smaller and can empty wheelie bins on all of East Bank. However, it seems that The Flat still has to have black bags due to the road being too narrow.

The Environmental Services Manager (Sally Rose) has spoken to the refuse contractor to confirm this. So, if anyone in Winster (especially East Bank) would like a free black wheelie bin instead of buying black bags (which are an eyesore and health hazard when animals rip them open! Also not environmentally friendly!), please phone 01629 761136 (direct number) to request one. East Bank should be more pleasant to look at on bin day too!

Brenda Newsam, The Old House, East Bank

There are big upheavals to **train services through Derby from 22nd July to 7th October** as the track is completely remodelled - a really worthwhile upgrade that will do a lot to reduce delays, but with a lot of impact on passengers. Some trains will suffer long diversions; others will be replaced by buses. The exact impact varies from week to week - check online journey planners for particular dates, or see the [derby2018.co.uk](http://derby2018.co.uk) website.

Of particular note - Matlock-Derby trains will be replaced by buses for six weeks solid - from 25 August to 7 October. John Geddes

Young, energetic **American Morris dancers** will show us their skills. On **Sunday, 22nd July**, they will all meet at the Miners' Standard and then process down through the village at 3.15pm to dance at the Bowling Green a bit later.

They will be accompanied by our own world famous Winster Morris.

Don't miss it. Phyllis

**Free.** Graco child's collapsible travelling cot. Also double futon mattress with orange cover. Very good condition. Hardly used.

Water Problems - Over recent months there have been a few occasions where we have lost our water supply. This seems to be due to problems on Chadwick Hill near Elton. Severn Trent have got us back on fairly quickly. On the last occasion they needed to access some water hydrants on the common at the top of East Bank opposite the swings. This was to 're-zone' i.e. redirect the supply to Winster. Could you ask friends, family and visitors to the village to be aware that if they park on top of these I think it will cause problems for STWA getting access and delay us getting our water supply back on. Thanks. Anita Dale

## Urgent Consultation about the Libraries including the Mobile Library

Derbyshire County Council are considering the way they run their 45 public libraries and mobile libraries. 25 of the libraries will be retained, but with reduced opening hours, with the hope that the remaining 20 will be managed by local communities (volunteers). They are also wondering about changing the mobile library service to community management (volunteers). Full details of the draft plan and your chance to comment are available in paper form in the libraries and on the mobile library.

You can also go online to:

<https://www.derbyshire.gov.uk/leisure/libraries/libraries-for-derbyshire/libraries-for-derbyshire.aspx>

closing date for responses is Monday 30 July 2018

## **Sporting success at Winster!**

On Thursday 14th June, Winster School's junior children took part in the annual South Peak Sports event at Darley Dale Primary.

"We really enjoyed South Peak Sports. We did amazingly well as we came second out of 9 mini schools. We were also the second smallest school there! It was the last time that the Year 6s would do South Peak Sports. We all had fun!" (Cerys and Lydia)

This was a super event, well attended by parents cheering on loudly. The children showed super skills in sprinting, skipping and relay (amongst other things), but more importantly, showed great spirit and support for each other. We will be back next year and aiming for 1st place! Well done to all the children who raced as if their lives depended on it and all the staff and parents who lost their voices through enthusiastic cheering!

# Secret Gardens 2018

Sat 14 + Sun 15 July, 1.30pm - 5.30pm

We have a really strong collection of gardens opening this year and some wonderful refreshment venues. Our biggest challenge now is having enough helpers to make the weekend run really well. Helping can be great fun, and it's a particularly good way to meet new people within the village.

If you aren't already signed up, but could offer even just a couple of hours' help, then we can offer a wide variety of roles. If you can't help over the weekend itself, we need cakes too!

If you can help, then please contact:

## Burton Institute - Big Lottery Fund Grant

The Burton Institute have secured a grant from the Big Lottery Fund of £2750, to cover:

- An "evacuation chair" for use in the event of a fire, to enable evacuation from the first floor of anyone with a disability or who is incapacitated.
- A new scaffold tower, to replace the current one which has become unstable due to wear and tear.
- A digital projector for users of the Main Hall (the Jubilee Room already has a large TV screen).

We'll be buying the equipment shortly and are planning to hold training sessions so that the items can be used effectively and safely.

The Lottery grant means that we don't need to dip into our reserves to buy these items. With such a large building, we need to have a reasonably large fund to cover unexpected maintenance. To keep rents affordable, we are still reliant on grants from Secret Gardens - for which we are tremendously grateful: the Burton Institute would not be able to survive without this funding. Bernard Bowler

## Elton Beer Festival

- ⇒ Any column contains more than one of the same number from 1 to 9
- ⇒ Any 3x3 grid contains more than one of the same number from 1 to 9

## **Healthwatch Derbyshire wants to hear from Rural Communities**

Healthwatch Derbyshire is an independent voice for the people of Derbyshire aiming to give residents a stronger say in influencing how local health and social care services are provided.

From May 2018 till July 2018, Healthwatch Derbyshire will be carrying out targeted engagement work with rural communities in Derbyshire and would like to hear from you.

They want to know about how where you live affects the health and social care services that you use. This piece of work will help them to understand more about life in Derbyshire's rural communities, and how this can impact on the services that people access and use.

This information will be shared with the people that run, choose & buy health & social care services, to help ensure that services work in the best way possible.

All information will be anonymous. Please share your experiences:

[enquiries@healthwatchderbyshire.co.uk](mailto:enquiries@healthwatchderbyshire.co.uk) or give them a call on 01773 880786.

## **Community Groups wanted to talk about wellbeing.**

The Five Ways to Wellbeing are simple things that we can do every day to help boost our mood and improve our day to day wellbeing.

They are Connect, Be Active, Take Notice, Keep Learning and Give.

To help spread the word about wellbeing, our public health team have developed an information pack full of resources including posters, leaflets, a short video and the loan of pull up banners.

They're offering the resource kits to local community and voluntary groups to help spread the word about wellbeing. In addition successful groups will receive a one off grant of £100 that can be used, together with the resource packs, to develop, or support, community events to promote the Five Ways to Wellbeing.

The closing date for applications for a resource kit is 9 July 2018. Applications will be considered on a first come first served basis.

You can download an application form at [www.derbyshire.gov.uk/wellbeing](http://www.derbyshire.gov.uk/wellbeing)<sub>17</sub>

## Find The Words Below (Party Time)

Q: What do ducks wear to parties? A duck-sedo!

Q: What did the baby owl's parents say when he wanted to go to a party? A: "You're not owld enough."

A snail starts a slow climb up the trunk of an apple tree. He is watched by a sparrow who can't help laughing and eventually says "Don't you know there aren't any apples on the tree yet?" "Yes," said the snail, "but there will be by the time I get up there."

## St. John The Baptist Church Winster

*The following was found on a notice board: "Please remember in prayer the many who are sick of our church this week." Sometimes people hold onto the very real pain that they received at the hands of chapels and churches. There is much more than one form of abuse which people suffer. Of course the most important things for people are that the church should be a place of love, welcome and safety. We who represent the Church must do a number of things to try to regain that trust. We must be transparent, open, we must be passionate about teaching about Jesus and helping people develop their own relationship with God. The church must not be obsessed by stability, wealth and position. We must as Pope Francis said be: A field hospital, a place to heal and serve the most needy and the most poor. The Man, Woman and Child who are way out on the periphery. We in Darley, South Darley and Winster have many things to be thankful for, yet we must never remember that the Church must be a place of sanctuary and rest for the weary, a place for worship, and the celebration of ancient Sacraments of the Church. These Sacraments bring grace into the various difficulties of our life. As well as the joy of births and marriages and healing of body and soul. The Church has a two fold place in society. We are there to help all people pray (talk to God) and to serve others (where love is there is God). The example I give you to reflect on is the Afternoon Teas at South Darley. They're held not in church, but in the Village Hall. Church isn't only a building, its a group of people first and foremost. That afternoon tea event is a chance for people to gather and to share memories and good food and good company. Church is also that place where we can find quiet. As the Psalm said: 'Be still and know that I am God'. We all very much need stillness and peace in our lives. So, I truly apologise if you have ever been hurt by the churches of our community. I ask your forgiveness and assure you that you are valued members of our community. But true churches, real Christ centred churches must be rooted in real selfless love. May God bless you this summer, and please feel free to come back to our churches and chapels. Give us another chance if we've hurt you. If you don't feel ready to take that step, please do be very much assured of our prayers. Yours in Christ.*

*With Kind Regards and every prayer.*

*Rev'd Stephen Monk*

*(Rector Darley Dale, South Darley & Winster.)*

**Schools**

*It seems that children are under more stress today than in the past. More children have mental health issues and more suffer eating disorders than any other generation. Please keep our schools in your prayers at this time. Especially, those who are moving onwards to other schools or places of education. We also remember at this time the school we work with in India.*

**The Need we have to look outside our parishes**

*On 29th July at St Mary's we have our joint service of Holy Communion with a guest preacher from an inner city parish. I'm praying we can build up links with different parishes and support them, and also to learn from them. Please come along to St Mary's, South Darley at 10am on the 29th July. As Rick Warren says -- "Absolutely nothing will revitalize a discouraged church faster than rediscovering it's purpose."*

*kindest Regards.

**Recipe from Peak District Online:**

**Winster Wakes Cakes**

- 225g plain flour
- 170g butter
- 170g castor sugar
- 1 egg
- 30g currants

Rub the flour and butter together and add the sugar and currants, then mix to a stiff dough with beaten egg. Knead a little, roll out, and then cut into rounds the size of a saucer. Place on a greased tray and bake in a moderately heated oven until pale golden brown
