Welcome to the May Edition of the Winster Village Magazine

How many Winster events can you have in one week? The answer is very many and one on top. Just one look at the left hand side to the Winster Diary will prove this point. However the really busy times are only just starting as Wakes Week is waving to us from the not so far distance. Should you ever feel that there is an activity missing, or you want to share your ideas of how things could be improved, why not organise your own group or join existing ones? Also, everyone, not only the younger generation, is also encouraged to swap from being a passive spectator to being an active member in the near future, as many of our long term groups and events are looking for new people. Secret Gardens for example is not only welcoming new gardens, but also many volunteers in all sorts of areas to help running the event smoothly (p.7). In whatever way you are able, please join in the village community spirit, which is one of the things that makes Winster so special.

Please email your contributions, including your updates on groups, important dates and other items you would like to be published to:

mag@winster.org

Copy Date is the 18th by 6pm each month. (Apart from December where it's the 11th)

The Italians are coming!!!

Following an invite from Winster Twinning Association, we are pleased to announce that 35 Italians will be heading to Winster this summer to help celebrate Wakes Week. Among the 35 people are a troupe of 13 flag wavers and 8 drummers who will perform on Carnival day. The Italians will be arriving Wednesday 3rd July and leaving Monday 8th July.

If you are able to accommodate any of the Italian visitors for the 5 nights or have any questions about the visit please let Sharon Talbot know 650718 or sharonetalbot@yahoo.co.uk.

The group is of mixed age and whilst there will be some younger visitors, many are over 18 so will be self sufficient and will just need bed, breakfast and possibly the odd packed lunch; they will be busy for the days that they are here.

Many thanks to Carnival and Secret Gardens for contributions towards the very significant costs of getting the flags and drums to Winster.

Secret Gardens 20th and 21st July 2019

Last year the proceeds from Secret Gardens supported the following village organisations: Burton Institute, Christmas Tree, Darby & Joan, the Defibrillator Fund, Football Club, Luncheon Club, Playing Fields, Twinning Association, Village Calendar, Village Shop, Winster School, Winster & South Darley Pre-school, Wyns Tor Singers, and the Yoga Group. We also donated to Bakewell & Eyam Community Transport and Darley Dale Football Club. We hope to be able to support a wide range of organisations again this year.

Planning is under way for this year's event, so please make sure that you add the Secret Gardens weekend to your diaries and tell your friends, colleagues and family about it.

We always welcome new gardens, so if you haven't opened your garden before and would like to consider doing so, please contact me, Gill Geddes (650364) gill@winster.org, to find out what is involved. Your garden does not have to be big or impressive – our visitors really enjoy seeing well-loved gardens of all types and sizes. Regular garden openers should have heard from me by now – so please let me have your reply slips as soon as possible.

The success of the Secret Gardens weekend is dependent on the support of a lot of helpers in the build up to and over the weekend itself. We are very lucky to enjoy the involvement of so many people in the village, but this year we are facing a bigger challenge than ever with the weekend falling just after the schools break up for summer.

Helping over the weekend is fun, sociable and very rewarding. If you are job hunting, applying to university, college or apprenticeships, then volunteering at Secret Gardens looks great on your CV. If you are new to the village, it is a great way to meet people. We have roles to suit everyone, young and old, fit and the not so fit! You don't have to volunteer for both days: you can help for one day or just a couple of hours.

If you could help over the weekend, do please let Gill Wharton know as soon as possible – she has the mammoth task of pulling all the helpers together. Gill can be contacted on 650608, or email her: gawharton@hotmail.com

We hope to hear from you.

Brain Tumour Trust - 100 Mile Cycle Challenge

Alistair Wright

I am cycling in the Prudential 100 Mile Cycle Challenge in London in just over 2 months to raise money for the Brain Tumour Trust. I am riding in the name of my godson, Michael Smith, who died of the disease aged 27.

I am trying to raise £1000. So far, I have achieved 24% of my goal.

Of all the monies for cancer funding, only 1% is allocated to Brain Tumour Research. I am hoping my contribution will make a difference.

If you would like to read the story behind my challenge and feel able to make a contribution, then details can be found on the link below:

<https://uk.virginmoneygiving.com/fundraiser-display/showROFundraiserPage?pageld=1024139>

I would also be very pleased to receive any support directly, no matter how small.

I am building up training now, so if you see me on the roads around or through Winster, then you will know the purpose!

Sunday Peak Quiz League

The Miners Standard Quiz team finished the season in style winning both the League with a record of 14 victories, 1 draw and only 1 defeat, and then the Cup Final against the Blue Stoops to secure the double. In addition the cup for the highest score (74) in a single game was won. The trophies are on display in the snug at the Miners Standard.

The successful team consisted of Allan Stone, Lynda Gladwin, Jane Deere and Martin Payne.

More Nuisance Calls -

Whilst working from home last week I was again plagued by more nuisance calls from people claiming to be working on behalf of "BT" or "Microsoft" with variations of the theme of slow broadband or people illegally using your computer. As pointed out before in the magazine these are 100% bogus. With patchy internet in villages it can be easy to for them to convince someone they are genuine—they are NOT, please don't be fooled.

With multiple calls each day I am sure I am not alone in finding this very annoying. However, I have had some fun in setting myself a challenge as to how long I can keep them on the line for, mostly simply placing them on hold. My record so far is 17 minutes during which that particular caller couldn't be bothering everyone else. Can anyone beat this record?

WINSTER MORRIS DANCERS.

Too Young For Morris Dancing?

Not long ago, on an occasion when we were out dancing, I asked someone from Winsters if they were interested in joining us. 'I'm not old enough yet,' was the reply. I was slightly taken aback by this ageist comment. The perception that Morris dancing is for oldies is so wrong. Whilst the current age range of our members is between the twenties and seventies, in recent years we have had members in their teens, and some of you will remember the Morris Miners. And our guests for Carnival are often very youthful mixed teams, Boggarts Breakfast and Makeney Morris being just two examples. This year we welcome the excellent Pecsætan Morris from Sheffield, a women's side which is very family orientated.

We dance and play music in Winsters Morris because first and foremost we enjoy it, but also to keep the tradition of dancing in Winsters going. We perform mainly around Derbyshire, but have links with sides around the UK and Europe. Our programme kicks off on the afternoon April 27th at the Middleton by Wirksworth Nearly May Day event. In June we welcome our friends from Onzain in the Loire, and will be visiting Ungstein in Germany for several days towards the end of May. We are a mixed team and always welcome new members, whether as dancers or musicians. If you're interested in joining us call either Mike Hatfield on 650468 or Richard Powley on 636994. Age is no barrier.

Swinster Locals Star in Detective Novels

Offering a great read for anyone living in or visiting Winster, local author Colin J Galtrey presents a series of crime novels featuring colourful and 'inspired' local characters set in easily recognisable places located in and around Swinster - the home of fictional Peak District detective John Gammon.

Having released his first book just over two years ago, Colin has just completed novel number 25, with John Gammon featuring in 17 of the books. 'Things Will Never Be The Same Again' is the first book of series one and where it all begins.

Treasurer needed for Winster Wakes

The Carnival Committee is still looking for someone to take on the role of treasurer for Winster Wakes. Although this is a key role on the committee, it is not particularly arduous, and there would be plenty of support available. It could be done as a job share. The main period of activity is during Wakes Week and the week or two following. Anyone interested should contact Mike Hatfield on 650468, or Kelsey Roper on 650783.

Recipe Corner - Time for Tea! Grace's Seed Cake

Winsters folk: Please share your favourite recipes & local dishes, home crops, home made goodies, brews & preserves - don't be shy!

We're again collaborating with the **Foods of England Project** in May. The books & website have a whole array of culinary ideas from local specialities to long forgotten dishes: <http://www.foodsofengland.co.uk/index.htm>. (Try the 'magic menu'!)

This month's **Seed Cake** has been made by Winsters' **Grace Bacon** for 70 years. It was a favourite of her husband Les, who was very partial to all of her traditional home baking. Caraway seed cake was extremely popular in Victorian times featuring in many cookbooks of the era. Grace's version is from a 1950's Lions pamphlet called "Sugar and Spice". This old-fashioned picnic or teatime cake is floral & unusual at first bite, but delicate and utterly delicious. Grace did say when it comes to baking "us oldies know best!" How right!

Ingredients & Method.

Pre-heat a moderate oven (GM4 /150 degrees.) Grease a loaf tin. Rub in, or pulse in the food processor: ¼ lb (115g) butter with ¾ lb (340g) self-raising flour. Stir in ¼ lb (115g) demerara sugar, ½ tsp nutmeg, ½ teaspoon Pimento (ground allspice), ½ oz (15g) caraway seeds, ½ tsp baking powder, level Tbsp candied peel. Add 1 large (or duck) beaten egg & 1/4 pint (150 ml) full fat milk. Mix well. Tip quickly into a greased none stick loaf tin, level the top. Bake on a centre shelf for about an hour - a skewer should come out clean when cooked. Cool in the tin, for 5 mins, turn out onto a wire rack. Keeps for 3 days in an airtight tin. Perfect with a cup of tea or coffee.

Source ingredients: spices & peel - pantry/supermarket, others - village shop.

Recipe corners' full page in **colour** is thanks to funding from our lovely sponsors.

Calling community spirited local businesses and producers - feature *your* product and a 1/4 page advert from £7.50. Get in touch Rachel Connor: rachelwadelin@hotmail.co.uk

Easter fun at Winster:

At Winster School, Easter is always a special time, but this year, we celebrated even more with a family afternoon tea, where children and parents/ grandparents were treated to a huge array of delicious cakes (worthy of the 'Bake Off!') and the children paraded in their Easter bonnets.

The following week, we all attended a joint service at St Helens, with children from the other local schools and shared readings and hymns. Last but not least,

The Easter Bunny arrived! Hundreds of eggs were discovered around the school grounds! This tradition continues to prove popular.

The younger children also made miniature Easter gardens in their Forest schools sessions. What a creative way to remember the true message of Easter.

We would like to take this opportunity to wish everyone a peaceful Easter and we look forward to our final term of the year, bringing sunshine and success!

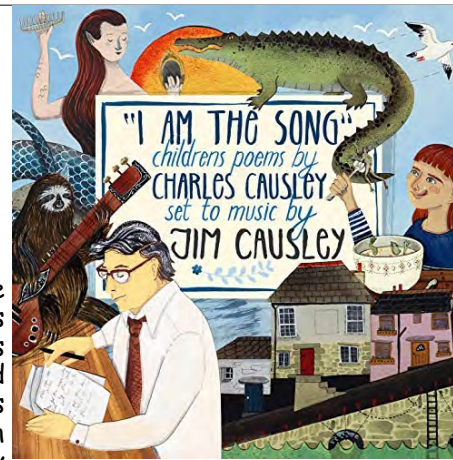

Winster C of E Primary School has a vacancy for a **Midday Supervisor** to work from 11:55am-1:05pm covering 3 days per week term time only starting May 2019. The role involves supervision of the children at lunchtime both in the dining area and the playground. No previous experience is necessary - a DBS check will be required for this post. Applications should be made online via the Derbyshire County Council jobs website (under Education-Non Teaching). **Closing date is 12th May** with interviews taking place the following week Please contact the school office 01629 650238 for more information.

A date for your diaries: Saturday 15 June

I am the Song: Children's Poems of Charles Causley set to Music by Jim Causley

Many people will know the work of the late famous and much-loved Cornish poet Charles Causley (of *Timothy Winters* fame). His relative Jim Causley is a widely-respected folk musician, who brings to Winster his settings of Charles's poems, along with anecdotes and information from the family archive, to which he has unique access. The result is a marvellous show, combining the beauty and humour of the poems with the top-class musicianship of Jim and fascinating insights into the life and beliefs of the poet himself. Support is provided by two other fine musicians, Keith Kendrick and Sylvia Needham. I saw this show in Whitby Folk Week and booked it without hesitation. The queue for the CD stretched right around the theatre. Tickets £10 from Winster Post Office (local people please use this outlet) or 650090 or geoff.orchardmine@gmail.com. Show starts 8pm. Bar opens 7.15. Geoff Lester

The Pond and Orchard Group

would like to say an enormous thank you to everyone that turned out on the 6th April to take part in the village litter pick as part of the Great British Spring Clean. We had an amazing 24 adults and 6 children taking part. In total there were 25 full bags collected and a large pile of loose items. Last year we collected 18 bags so it's a good result for the pick but a little disappointing that so much has built up in one year. We will be organising another in the Autumn but, in the meantime, if anyone wishes to organise their own pick in the village, or further afield, then please do contact me about borrowing our equipment, it is there to be used. It is great to see so many people keen to play their part in this popular community event and it really does help to keep the village looking at its best.

If anyone else would like to be included on the contact list for future picks, please send me an email to daveandhes@gmail.com.

Winsters Luncheon Club is stepping into Spring with a new programme of events, outings and activities. We meet every Monday for lunch in the Jubilee Room at the Burton Institute. If you would like to hear more about the club, to give it a try, or don a pinny and join the volunteers you would be most welcome.

Ring Jane Wiley, Tel 650807 to find out more, or to join our monthly fund raising draw

Meanwhile, here are the results of the April Draw. Congratulations to the lucky winners! We hope you will treat yourself to something lovely from our wonderful village shop.

PUZZLE CORNER

Find The Words Below (Geometric Shapes)

What do you say when you see an empty parrot cage? Polygone!

Why does nobody talk to circles?... Because there is no point!

What did the acorn say when he grew up?... Gee, I'm A Tree!

Why wasn't the geometry teacher at school?... Because she sprained her angle!

What should you do when it rains?... Coincide.

Why won't the circles invite the ellipses over for dinner?... They are too eccentric.

Hidden words may run horizontally, vertically, diagonally, forwards and backwards!

A Letter - Can we practise living in the present moment?

It seems like a lifetime ago that I lived and trained and for a period worked in London. Isleworth, Chelsea (Yes, I know I'm posh!!) and Stoke Newington were the areas I lived in. One thing I saw often in London was tourists taking 'selfies'. But (I know I'll sound like a dinosaur) aren't we obsessed by this form of photograph? It's almost like going to a concert and seeing people watch nearly the whole thing through the lens of their camera. I think one of the dangers today is we live life through modern media without sometimes living in the 'real' world. Last week my family and I chose photos for my mum's funeral order of service. The photos brought back memories and emotions, but today 'selfies' and social media at its worse replace lovely holidays. It replaces experiencing a great concert or meal or sunset. As we head towards summer I'm trying to challenge all of us to experience our various relationships. Our relationships with each other; our experience of nature and creation; the wonder of music and meals etc. Jesus lived the whole of His life in the present moment. Jesus sometimes needed to step away for times of quiet and prayer, but that withdrawing was so that Jesus could wholeheartedly experience the present moment. When looking at 'selfies' on the web there was one page where people were so obsessed about living through the lens that they didn't see something that caused their death or a serious accident. People stepped out into a busy street or had a serious fall etc. My challenge for all of us in this coming month is to live in the present moment. Let's be aware of God's blessing and the wonder of creation around us. Gerald Manley Hopkins, the Jesuit poet spoke of Jesus playing in a thousand places if only we were aware of our world and daily lives. To be a Christian today we need to be aware of all that is present every day - positive and negative. To be a Christian today we need to offer the glories of the world back to God. We need to give attention and reverence to all people we meet each day. This living in the present moment is very difficult. and we can slip into day dreaming or fantasy etc. None of which are bad in themselves until we try to live our fantasy etc. as our own reality. To be Christian is to be people who humbly say 'Amen!!!' each day. Saying 'yes' to God or 'let it be as you wish'. So, maybe we need less 'selfies' and more 'self awareness'. Let us live in the present moment and look how we can develop and grow of relationships. Finally, 'selfies' aren't something new; I found the following on the net:

"As a result of intensive scholarly research on Wikipedia I discovered that the first known selfie was a daguerreotype taken in 1839 and now on the photographer's tombstone. Lacking a smartphone, he would remove the lens cap, run into shot and stay still for a minute or two, before running back to cover the lens again. A more contemplative selfie. Artists have always liked to paint themselves and mirrors have been around since 6000 BC. We love to see ourselves even when we don't like what we see."

May we see in ourselves the beloved Children of God.
Not perfect but beloved.
Yours.

Wyns Tor Singers Summer Concert – Sat 18th May at 7:30 pm All Saints Church, Youlgrave

Winster’s chamber choir, the Wyns Tor Singers, will this year bring a rare opportunity to hear not just one, but four harps in quartet at their summer concert in Youlgrave. Clouds Harp Quartet is formed of four professional harpists, graduates of the RNCM, who will be performing at Youlgrave on the first leg of their 2019 UK tour. They will play some new works composed specifically for the group, drawing on the folk and jazz traditions, as well as arrangements of more well-known pieces. We hosted one of the harpists, Elfair Grug Dyer, two years ago, who gave a brilliant performance, and we are all looking forward to hearing her again with her friends.

The choir will be singing a range of choral music, including traditional folk songs and spirituals, and more modern works by contemporary composers Elder, Whitacre and Gjelø of both sacred and secular flavours.

Please join us for what promises to be a memorable evening of music – tickets £8 from ‘Youngs of Youlgrave’ post office & shop, or on the door.
