

WINSTER VILLAGE MAGAZINE

On June 18th, 18 Winster-ites flew to Bologna airport where they were met by our chief Monterubbiano contact and organiser, Andrea, together with Valerio and Eleonora, to be transported 3hrs to our beautiful twinned village of Monterubbiano

Winster Twinning - Monterubbiano Trip 2026

The flag wavers and drummers visited Winster just last year and, ordinarily, we would not have been due a return visit until 2027 but this year Monterubbiano's Scio la Pica festival had been put back to mid June (normally held mid to late May to coincide with Pentecost) due to local elections and this seemed like a good opportunity to ask the schools to be lenient and allow students 3 days leave during term time as it was after exams had finished for most students. The plan worked, the schools were relatively compliant and 8 students were able to join the trip.

Our party were fed and watered in the local square where we were introduced/reunited with our hosts for the next 4 days then taken back to our accommodations to be fed and watered again! Monterubbiano is up in the hills, nearly 500m above sea level, and the skies are dark so on the first night we went to an isolated area with a guide to see, one by one, 5 planets revealing themselves to be in alignment which only happens once in 15 or 20 years. This was followed by a get together in the local square to have a beer and watch the flag wavers and drummers rehearsing.

The next morning we had a group brunch, where 3 more Winster-ites joined us, followed by a visit to a local beach - the sea was calm and shallow, the sand was white, spirits were high, our hosts generously taxied us and many of the younger visitors proclaimed this to be the highlight of the trip. Many of the Italians and English teenagers played in the water together and life felt very good indeed. The evening brought "Traditional Folk Games" to the square including egg and spoon racing (who knew???) and human jousting which found Andy Clapham spearing rings whilst hoisted onto Nick Bradley's back, piggyback style.

Saturday saw a lunch at the local pizzeria and the Reading of the Proclamation, which signalled the official start of the

festival. Host families fed and watered us and the flag waving and drumming shows took place that night; there were 2 guest drumming troupes invited for the festival.

Sunday was the day of the historical parade. We had been asked if we would like to take part in the medieval parade which is an honour and is taken very seriously. Nine of us participated, the sun was blazing, temperatures were high and heavy velvet garments were plentiful - and very hot! We paraded to the jousting arena where there was a Mass (thankfully participation was optional) and a little rest in the shade. There was a break for lunch followed by another parade back down to the jousting arena where the view of proceedings from the stands was fabulous however shade was sadly lacking. Monterubbiano is divided into four corporations which would traditionally have been according to broad trade categories - Artisans, Land Tillers, Farmers, Transporters. Each corporation raises money to pay for a professional jouster to joust for them and this competition is taken very seriously; some jousters are paid 10,000 euros and this year one corporation boasted "the number one Jousting in Italy". After 16 rounds of jousting the Transporters (Mulattieri) were the victors and we paraded back to the square for more flag waving, drumming and speeches including the presentation of a scroll thanking everyone from Winster for taking part in the festivities.

After breakfast with hosts we said our goodbyes and left for the airport again - our drivers tackling the 6 hour round trip without hesitation or complaint. We had one extra person in tow on the return leg as we had brought an Italian teenager, Riccardo, back with us for two weeks to stay in Winster and improve his English.

Our Italian hosts were unreservedly friendly, generous, remarkably well organised and Twinning feels to be in a good place; we are over the Brexit/COVID bumps and look forward to welcoming our Italian friends back to Winster in 2028.

In the meantime the next Oktoberfest to raise funds for twinning will be on Saturday 17th October.

THANK YOU, WINSTER! from Irene Webster Chairperson 2026

Firstly, Thankyou to the committee for all the hard work over the year. Your time, dedication and energy to make things happen over the week is invaluable.

An event of this scale relies entirely on our community. This year, a special note of thanks to the incredibly talented group of residents who came together to design and make our beautiful new bunting. A wonderful splash of colour and vibrancy perfectly capturing the spirit of Wakes Week.

Our warmest thanks also go to our wonderful young Wakes Queen and her attendants, who represented our village so beautifully throughout.

We are deeply grateful to the dedicated individuals who gave up their valuable time to plan, coordinate, and run the various events across the week and without whom the festival simply could not happen. Thank you

also to our army of volunteers who set up equipment, ran stalls, managed traffic, and cleared up afterwards, as well as our local businesses and sponsors for their invaluable support.

Finally, thank you to the residents of Winster and our visitors for attending and creating such a wonderful, community-spirited atmosphere.

Planning for next year will begin soon. We warmly invite anyone interested in helping out to join us at our next committee meeting - dates to be confirmed - or if you can offer a bit of your time, volunteers are always welcome. We are particularly keen to hear your fresh suggestions for new events to replace some of our older ones.

We would love to see some new faces and welcome fresh ideas to help keep this fantastic tradition alive.

Regular Village Activities and Mobile Library

Stay and Play , Primary School, Friday's—term time only 9:30-11:30, for parents and carers of infants and young children. Free. Refreshments provided. Contact: Kerry McClay 07760161785

The Vicar's August Message

In this August letter I'm mindful of the children of our many primary and secondary schools.

Let us all pray for our young people, and those looking to the future in further education, and apprenticeships etc.

"The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches."

(Matthew 13:31-32)

Have you ever planted a seed? At first, it doesn't look like much. It's tiny enough to fit on your fingertip, and it's hard to imagine that something so small could become a very large plant. Yet with time, care, and the right conditions, that little seed grows into something amazing. You may wonder why I choose this story for our August Magazine. Well, the answer is simple. I was cleaning one of our cupboards and I found a small bag of mustard seeds. Which I dropped all over the place!!

Jesus loved using everyday pictures to teach profound truths, and the mustard seed is one of His most memorable examples. Although the mustard seed is very small, it grows into a large plant that provides shelter for birds. Jesus uses this image to show us how God's kingdom often begins in humble, almost unnoticed ways before growing into something far greater than we could imagine.

This is encouraging news for families. In a world that often celebrates big achievements, loud voices, and instant success, God's way is often different. He delights in working through small acts of faithfulness and love.

Yesterday, I was in Cromford School and the year 6's had invited us all for afternoon tea. They'd made lovely cakes and a lovely cuppa. This gave us time to have a chat around our tables. In a way it was Communion. Sharing food and listening to stories. This simple act was an act of love and to use an old word; Fellowship. But as Christians if you have children or grandchildren the following may work for you:

- A bedtime prayer - simple and short.
- A parent reading a Bible story or a moral story after a busy day.
- A kind word to a lonely neighbour. (do we know our neighbours?)
- A meal shared with someone who needs encouragement.

These moments may seem insignificant, but in God's hands they become seeds of His kingdom. Children especially can learn from the mustard seed. They sometimes feel they are too young to make a difference, yet throughout Scripture God uses young people in extraordinary ways. A child who chooses kindness over cruelty, forgiveness over resentment, or honesty over popularity is planting seeds that can influence friends, classmates, and even adults. The parable also reminds us to be patient. Seeds do not grow overnight. We live in a culture that expects quick results, but spiritual growth usually happens gradually. As parents and grandparents, we may wonder whether our efforts are making any difference. We repeat the same Bible stories, offer the same prayers, encourage the same values, and sometimes see little immediate change. Jesus reminds us not to lose heart.

Every loving conversation, every prayer, every example of grace is a seed planted in the lives of those we love. God is at work even when we cannot yet see the harvest.

The mustard seed also points us towards hope for the wider Church. Christianity itself began with a small group of ordinary disciples following Jesus. From those humble beginnings, the good news has spread across continents and generations. The kingdom continues to grow as people share Christ's love in homes, schools, workplaces, hospitals and nursing homes; and communities around the world.

Perhaps the greatest comfort of this parable is that the growth belongs to God. We plant and water, but God gives the increase. Our task is not (necessarily) to achieve spectacular results but to remain faithful in the small things.

This week, why not look for one "mustard seed" opportunity? It might be writing a note of encouragement to someone, praying, helping parents and grandparents, , helping someone in need, or inviting a neighbour for tea. Never underestimate what God can do through one small act offered in love.

Family Activity

Plant some seeds together in a small pot or in your garden. As they begin to grow, talk about how faith grows little by little. Ask each family member to think of one small way they can show God's love during the coming week. Write these ideas on paper leaves and place them on a simple "Mustard Seed Tree" displayed at home. As the week progresses, celebrate the ways God has helped your family put faith into action.

Prayer

Dear Lord,

Thank You for reminding us that You can do great things through small beginnings. Help us to be faithful in the little acts of love, kindness, and obedience that build Your kingdom. Give us patience as we grow in faith, and help our family become a place where others find welcome, hope, and the love of Christ.

Amen.

Offering at Wakes Service.

Thanks to all who donated to the collection at Winster Wakes Service. £150 was sent to TEAR Fund who do much to help poor communities worldwide.

Hello! Did you know that every Thursday of Wakes Week is the Winster Country Show day? This year it started as a sunny but blustery and somewhat drizzly morning, but inside the marquee on the playing field, the helpers were all busy beavering away to take our early-bird entries at 8am. The new Bread category was really well supported with delicious fresh loaves arriving thick and fast. As usual, there were plenty of cakes and traybakes, with the additional category this year, of cheese scones. The floral arrangements were a joy of scented, rainbow delights. Our own school children had excelled themselves with the inventive Bug Hotels, and another new category of Handmade Homewares flew in through the door with a gaggle of geese. In all, we were delighted to count up 99 wonderful entries.

After the judging, the public started to flock in for a good look round to see who had won. The Tea Ladies were busy making cuppas by the hundred to complement the delicious cakes. We were pleased to say that our new "Guess the Weight of the Cake" and "How Many Sweets in the Jar" kept many people busy puzzling or even trying to count them for quite a while.

All in all, it was another successful Winster Country Show. Our aim is to keep this lovely, worthwhile tradition going, so we want to say a big thank you to everyone who took the time and trouble to contribute to a very worthwhile event.

Who knows? If **you** enter something, we may reach a hundred entries next year.

That's a wrap for this year's Wakes

See you next year

**Sunday 27th June to Saturday 3rd July
2027**

FOR SALE 2 week share in the narrowboat *Burland* belonging to Bonsall Boat Club.

Burland is a 50-foot narrowboat, professionally fitted out in 1996 with six berths to accommodate larger families and/or guests. The bedroom has a double bed and the dining area and the sitting area, both convert into double beds. There is a kitchen (or galley), shower and separate toilet. It is fully equipped with all the pans, utensils, cutlery and crockery to prepare meals if families do not wish to eat out in the many waterside pubs and restaurants along the way. Central heating was installed in 2025.

There are 30 cruising weeks which start in late March and finish in October each year.

We have found that shared ownership is a very affordable way to get afloat on the rivers and canals. There are two costs involved: the cost of buying a share, which is refunded if the share is sold; and the non-refundable annual running costs (including the Canal and River Trust licence, insurance, servicing and any repairs). These are divided pro-rata according to each family's shareholding and we have found that this is considerably cheaper than the cost of hiring a canal boat.

If you would like more information, please get in touch with the group's Hon. Sec., Jane Smith on 07762053985 or email churchgates@yahoo.co.uk

Women in Rural Derbyshire: **Share your Experience**

New research project exploring how creative spaces boost women's wellbeing in rural areas!

I'm a postgraduate researcher at UCL investigating how creativity influences wellbeing, identity, and a sense of belonging among women in rural Derbyshire. I'm eager to connect with women aged 18 and above who participate in creative community groups.

Whether your interest is art, crafts, textiles, writing, music, or any creative activity, I'd love to hear from you!

★ There are two ways to take part:

- Focus groups – small, informal group discussions
- 1:1 interviews – relaxed conversations

If you're interested, or would like to find out more, please get in touch:

Winster Common update

Following the village meeting earlier this year and with the assistance of a large number of happy and willing volunteers we have managed to clear in the region of 10 builders bags of docks, invasive weeds and litter from the main area of the common.

We have also had the Griffin cut and the edges of the common and several footpaths strimmed. This week we have been dead heading, deseeding and removing nettles.

A flower survey in the spring revealed healthy numbers of wild flowers including Knapweed, Fox and cubs, Common Vetch, Yellow Rattle, Meadow Vetchling, Green Alkanet and Ox-Eye Daisies. These flowers benefit a a number of insects including Bees, False Oil Beetles and Cinnabar Moths. Our thanks to all of the volunteers for their time, effort and energy and to Jo Banks and Anna Harris for the details of of the flowers survey.

We will be holding a spring bulb donation week in September, where everyone will have the opportunity to donate towards a bulb planting fortnight in October. Ideas for locations for the bulbs are welcome. More on this next month.

St Johns Churchyard

You will have noticed more of our lovely volunteers tidying up the memorial stones along the path in the Churchyard. We have also been removing moss, nettles and out of place saplings in the Churchyard and cleaning headstones as we work through the area.

This work will continue over the next few weeks. If you would like to join us please make contact through the Winster Parish Council website at: <https://winsterparishcouncil.gov.uk/contact-us/>

REFURBISHMENT OF VILLAGE TOILETS AND SWINGS

After receiving a £1,460 grant from Better Derbyshire Dales (Integrated Care Board, Derbyshire County Council Public Health and Derbyshire Dales District Council) at the end of May, 17 Winsters volunteers repaired the woodwork, built new shelving, painted the toilets and installed new toilet furniture.

During a visit to Seymour Interior in Wirksworth, Duncan contacted Little Greene and secured a 50% discount on paint. He also gave us a further 10% off several items and donated brushes and rollers. By working a couple of sessions each week, we completed the redecoration in time for the official reopening at Wakes. Chris Webster from Matlock Glass also kindly supplied and fitted mirrors free of charge.

We still have enough funding to install new motion-sensor lighting and are continuing to explore the best way to reduce electricity costs. Richard Witty and Andy Brown have both been helping, and we will provide a further update once we have identified the best solution. In addition, £97.49 was raised during the East Beast cycle race to support the toilets. Thank you to the Wakes Committee for allowing us to collect donations.

6 volunteers were also busy removing the old swing, repainting and installing new swings purchased by the Parish Council. Seymour Interior in Wirksworth provided the free paint.

A full deck of the achievements for July can be found at: <https://winstersparishcouncil.gov.uk/wp-content/uploads/2026/07/PC-Achievements-File-July.pptx> or going to the news section on the Parish Council website

New mobile library, half the size, half the books,
no disabled access but Martin still coming every 4
weeks. Next visit 31 July 9.30am opposite the
shop

Winster Pond and Community Orchard Group

The orchard looks fantastic and thanks
again to all our volunteers

The Annual General Meeting will take
place at 7.00pm on Wednesday 9
September 2026 at Ashlea, Woodhouse
Lane, Winster DE4 2DN. All very
welcome and we hope to be outside.

On the agenda:

- Minutes of the previous AGM 2025
- Accounts including Plant Sale
- Update on management activities during the last year
- Litter picking activities
- Election of committee
- Stone memorial bench
- Provisional Pond Clearance Date Saturday 17 October
- Any other business
