## Winster Village Shop News

Thanks to everyone who came along to the AGM. It gave us a good chance to update you on the progress we are making with your business. We are on track for starting the next phase of the work at the shop on Monday November 2<sup>nd</sup>. Hopefully service will seamlessly continue but watch the window for any changes in opening times.

Asa Cooper has kindly taken on a difficult contract with limited funds and a tight timeframe which is a great help to the shop and the village. We aim to be fully operational again with increased selling space from Friday 27th November. Plans are in hand for the Post Office to transfer early in 2010.

During the work you will receive old fashioned counter service. If you would like to place an order in advance either the day before or in the morning this will help us to have it ready for you to collect when you come in. You can phone 650683, e-mail on [shop@winster.org](mailto:shop@winster.org) or use the website on [www.winster.org](http://www.winster.org). It will mean more work for the staff but hopefully more fun so if you would like to take part in this project do let either of us know and we will welcome your help behind the counter getting orders together for the customers. We will have an availability chart in the shop so you can choose your day and time.

During the work we have had to discontinue our regular promotions so instead there will be bonus gifts if you spend £10 or £20 (excluding cigs and paper accounts!). Come in and see how it works. From November 27th we will be all dressed up for Christmas with a good range of Christmas specials and Christmas essentials. If you know what you will be wanting from us at Christmas we can take orders now. Use the contact details above or come in with a list and we can ensure availability and give you an indication of price.

Whatever you do please keep coming and supporting us during the work.

David and Steve.

## **Wellies on in Winster**

The children have successfully planted and grown a whole host of vegetables this season - potatoes in tyre towers, a runner bean tunnel, lettuces, spicy rocket, onions and beetroot. They had a hand in the design of the raised beds and are now harvesting their precious produce. The children would like to thank Forest Nurseries in Darley Dale for help with buying tools and the Derbyshire Green-watch Action team for a grant towards seeds, a water butt and the raised beds. The project was set up and run by parents and enabled all the children to be involved in digging, weeding, pricking out and planting on as well as seeing firsthand how food grows.

## Grants from Secret Gardens 2009.

After all that hard work and despite very bad weather on the Sunday, Secret Gardens 2009 made a profit. Winster village groups and organisations are now invited to apply for a share of the money. If your group or organisation would like to apply for a grant, please do so using the application form. This will be available either as a download on the village website or in paper form at Winster Post Office from Monday November 2<sup>nd</sup>. Completed application forms should be returned to Brain Long at Tor House, Main Street by Monday November 23<sup>rd</sup>. We can only deal with your application form if you give us all the information we ask for. Details of the grants made from Secret Gardens 2009 will be published in the Village Magazine.

Jean M Dugmore, Secret Gardens Committee.

### WANTED

A group or anyone who would like the share the Burton Institute and an evenings rent. The Yoga group meets for one and a half hours on a Tuesday, (6.30-8.00pm) but has to pay for four hours, Now that the rental has just gone up again to £14, it is making it very difficult for the Yoga Group to keep going. But if the cost could be shared it would mean the group could continue.

If you would be interested please ring June Hine on 650994.  
Thank you

### **Winster is featured on the first ever Geological Map of England and Wales dated 1843**

I am the proud owner of one such map (proud because that's what I did at Uni - in the PreCambrian Era). The map is hand watercoloured and very interestingly annotated, moreover it shows the relative importance of Winster in 1843 which is marked whereas Matlock is not.

Anyway I have had some high quality prints made of the original. They are available from me at £18 per print. You can view one framed by George at Appletree Arts at the Post Office.

**Monday 30 November** at 7.30 in the Burton Institute. 'Georgian Life in Winster for the Common Man', by David Spencer.

The lives and possessions of the Georgian upper class are well recorded and preserved unlike that of the common man. Literacy levels were low, and what few possessions they had were used and passed on until they were either broken or worn out. David Spencer whose family were from Winster, has studied this way of life and will describe and illustrate the lifestyle covering their homes, their work and their few possessions.

Please renew your subscription (£5) if you haven't done so already.

### **THANK YOU**

Ann Ollerenshaw, Rosie, Diane, Elizabeth and Emma would like to say thank you to everyone who came to the Coffee Morning for Macmillan; also for the generous donations from people who were unable to come

£450 was raised which we think was amazing! We are sending half the money to Macmillan and half to Western park, Sheffield where Elizabeth has been attending for chemotherapy.

Thank you all so much and hope to see you next year.

## WINSTER WASPS FOOTBALL CLUB

G'day folks. Once again it's time to tell you what goes on with Winster Wasps. Some of you may have noticed something strange in last month's article in that the writing style wasn't my usual free flowing prose. This is because

there were a number of AC/DC song titles hidden in the text. This month its Beatles songs. There's 13 to find and the first correct answer wins a free ticket to our next home match along with a tour of the ground and maybe even some autographs!! I've got a feeling that you boys and girls will be excited by that, so get searching.

On a football note, Mike's training revolution is definitely paying dividends as we are now competing right to the end of games. The results haven't been going our way but they're still a lot more promising than last season and I firmly believe that we can work it out. We would also like to thank the Carnival Committee for their generous donation of £500 from this years event. We would also like to remind people to look out for adverts for our Medieval Night, as a joint venture with the Twinning Committee. Tickets are available from Paul Armitt or Marg Lester.

**Results: 20/09/09 Winster 3 – 4 AFC Hare & Hounds.** A very close match ended in misery for Winster as a late goal condemned us to defeat. Winster fought back from a goal down twice in this match with goals from Brett and Luke, the latter from a long, long, long throw from Mr Simpson. The best was saved for last though as the aforementioned fullback sent a screamer into the top corner from a tight angle to put us ahead. The second half saw the opposition draw level and a late goal after an unfortunate slip by our 'keeper. ***MoM:Iain Simpson. An all action performance topped of with a splendid goal.***

**4/10/09 Winster Wasps 2 – 3 New Inn Town.** Another very close result for the Wasps in our first cup match of the season. Having gone 3 down we were very close to pulling off a famous comeback. Ian Heath started it with a well struck free kick and Brett scored a 25 yard screamer but alas we could not get back in it and it was goodnight for our cup run. **MoM: Dave Robinson.** *Another good performance from the 'keeper who was solid throughout and gave us the chance of a comeback.*

**11/10/09 Bolsover Old Boys 4 – 0 Winster.** Last weeks MoM was unavailable so I was deputising in goal with a message of 'don't let me down' ringing in my ears. A steady start was thrown into disarray when Rocky Raccoon got himself sent off for reacting to a bad challenge. We were up against it from that point on and were shortly 1 down. A penalty was next on the list of our bad luck although a top drawer save let us off the hook. Unfortunately more goals followed but I think that everyone worked hard considering our numerical disadvantage. **MoM: Simon Percival.** *Won more than his fair share of headers and never stopped running.*

**Fixtures:** 18/10/09 A vs North Wingfield Miners Welfare  
25/10/09 A vs Chesterfield Phoenix

Special thanks go to Winster Carnival Committee, Twinning Committee, Morris Men, Entertainment Group, Secret Gardens Committee, Playing Fields Association and Wayne Transport.

## **C'MON YOU WASPS!**

[www.winsterwaspsfc@hotmail.co.uk](http://www.winsterwaspsfc@hotmail.co.uk)

By Jimmy Millett

Early October two lots of neighbours were woken up by the noise as somebody took it upon themselves to smash two windows of my car. Nothing was stolen, the car wasn't entered, they just made a big mess. My assumption is that I'm just the unfortunate victim of a random act of vandalism.

I think it's worth people knowing that this has occurred so we can keep an eye out, and maybe avoid this happening to someone else.
