Vicar's Baptism Sermon

Dear Friends. I know it's a bit of a cheat but I think we need to reflect on Baptism and what it means to us. We often have folk ask about Baptism but often they maybe aren't sure what they're asking about. Here's a bit of a Sermon I preach in September. But I thought it may be a point of reflection. But can I please remind you it's everyone's job to build up the Body of Christ in all of our five churches. So Invite people to church; invite them to think about Baptisms and Weddings and maybe Confirmation.

The Grace of Baptism

Scripture: Romans 6:3–4 “Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death? We were therefore buried with him through baptism into death, in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.” Today we reflect upon one of the beautiful gifts of God to His Church: the grace of Baptism. Baptism is not simply a ceremony. It is not merely a tradition passed down from generation to generation. Baptism points us to the saving work of Jesus Christ and reminds us that our Christian life begins—not with what we have done for God, but with what God has done for us.

1. Baptism is a gift of God's grace

Grace means God's undeserved love and favour. We do not earn God's grace. We cannot buy it, achieve it, or make ourselves worthy of it. God gives it freely.

Ephesians 2:8 says: “For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God.” Baptism reminds us that salvation begins with God. Before we could reach out to God, God reached out to us. Before we could understand the depth of His love, He loved us. Before we could offer Him anything, He offered us the gift of His Son. When we look at the waters of Baptism, therefore, we should not primarily see water. We should see a sign pointing us toward Christ and His grace.

2. Baptism unites us with Christ

Paul tells us that those who are baptized into Christ are united with Him in His death and resurrection. Baptism speaks of dying to the old life and rising to a new life. The old ways of sin, selfishness, pride and separation from God do not have the final word. In Christ, there is the possibility of a new beginning.

The water becomes a powerful picture: Down into the water—death to the old. Up from the water—new life in Christ.

This does not mean that Christians will never struggle or fall. We still face temptation, weakness and sin. But Baptism reminds us that our identity is no longer defined by our failures. We belong to Christ. When we fall, grace calls us back.

When we are weak, grace strengthens us. When we are lost, grace seeks us.

When we despair, grace reminds us that Christ has not abandoned us.

3. Baptism reminds us that we are God's children

continued on page 6

At the Baptism of Jesus, the voice of the Father declared:

“This is my Son, whom I love; with him I am well pleased.” — *Matthew 3:17*

Baptism points us toward our identity as God’s beloved people.

The world constantly asks us to prove ourselves.

We may be tempted to measure our worth by our achievements, our possessions, our appearance, our reputation, or the opinions of others. But God’s grace tells us something different: You are loved by God. Everyone of you.

Our deepest identity is not found in what we accomplish. It is found in belonging to Christ.

This is why Baptism should be a source of hope throughout our entire Christian life. We may change. Circumstances may change. Our emotions may change. But God’s faithfulness does not change.

4. Baptism calls us to live differently

Grace is free, but grace is never meaningless. Paul asks in Romans 6:1:

“Shall we go on sinning so that grace may increase?” His answer is emphatic: “By no means!”

Baptism is not permission to remain the same. It is a call to live as people who have received new life.

If we have been marked by Christ, then our lives should increasingly reflect Christ.

We are called to forgive because Christ has forgiven us.

We are called to love because Christ has loved us.

We are called to serve because Christ came not to be served, but to serve.

We are called to show mercy because we have received mercy.

The grace we receive should become the grace we give.

5. Baptism is a reminder for the whole journey

Baptism happens at a particular moment, but its meaning accompanies us throughout our lives. There will be days when our faith feels strong and days when it feels weak.

There will be moments of joy and moments of sorrow.

There will be times when we feel close to God and times when God seems distant.

In all those moments, we can remember God’s promise and say: I belong to Christ.

Baptism reminds us that the Christian life is not about constantly trying to earn God’s love. It is about learning to live from the love that God has already shown us in Christ.

May I finish where I started; with grace of Jesus Christ. Let us remember the grace we have received. Let us turn away from sin. Let us walk in faith. Let us forgive one another. Let us love one another. And above all, let us keep our eyes fixed upon Christ, who calls us from death to life.

May we live every day remembering the truth that Baptism proclaims:

We (YOU) are God’s beloved people, united with Christ, washed by His grace, and called to live a new life. Amen.

Operation Christmas Child Shoeboxes.

Christmas is coming up, well not yet, but it is time to start preparing shoe boxes again this year. These boxes are sent to children in some of the world's poorest communities and it does make a difference to them.

Flat-pack boxes and information leaflets can be picked up from the shop from the beginning of November but I already have leaflets and boxes if you want them earlier. The filled boxes need to be returned to the shop (or to me) by the end of **Thurs 12th Nov** so I can get them to the drop-off location in time.

Information on how to pack the boxes, including suggestions of what to put in and a list of what not to put in the boxes, can be found in the leaflet or on the website which contains a bit more info. It is good to pack a range of items which will help the children in different areas of their lives: stationary which would help with school work, non-liquid hygiene items like wrapped soap or a toothbrush, hats, toys etc. Please note we cannot include any food including sweets, any fluids or toothpaste.

The website is **<https://www.samaritans-purse.org.uk>**

As before a £5 donation is requested to cover the transport costs – preferably this can be given through the web-site. If you wish to give cash, it can be posted in the pre-paid envelope attached to the leaflet.

If you don't have time to fill a box yourself, you can always do one on-line through the above web-site. Thanks

Judy Hinsliff

I don't know why the village jungle drums didn't work this time but we've only just learned that we have lost the force of nature that was Judy Hinsliff.

The Hinsliff's, Judy and Geoff, were Richard's first Winster clients when he ran Helios Electric from our home in Darley Dale; so even before we knew we would be moving here. We remained friends and after Geoff's death, Judy was one of the few to be granted special privileges to call on Richard for electrical fixes after he retired. Our thoughts are with the family. From Helen and Richard Witty

Judy's funeral takes place at St John's Church, Winster on
25th September at 12:30 pm

Joan Elisabeth Mason

Joan Elisabeth Mason

A Thanksgiving for Joan's life will be held on Saturday 3rd October in St John's Church followed by refreshments in the Church.

Your Invitation to try Winster Morris Dancing

We have had an enjoyable time dancing out during the summer, especially on Winster Carnival Day with our two guest teams, but also at other events, and some Tuesday evenings at pubs, sometimes with another team. We are restarting practices on **Tuesday 6th October at 8.00 pm in the Burton Institute** and anyone is welcome to come and have a try on any Tuesday evening. It's good exercise, enjoyable and sociable.

Winster Morris team has a long tradition and it's good to keep this going in the village. We also have a great group of musicians and new musicians are also welcome. During the winter months - from October to April - we practice, then from May to August we dance out, mostly locally but through our links with dance groups in Italy, France and Germany, we enjoy exchange visits with them. In May this year we had a great time with the dance group in Onzain in the Loire Valley in France.

If you would like to join us, just come along one Tuesday evening, or contact Bev Atkins on 01629 650086 or 07960 447890 or bevatkins@btinternet.com.

You can also find out more on our website www.winstermorrisdancers.org or on our Facebook page.

THE CAFÉ IN THE CHURCH,

The café in the church has closed at the end of a most rewarding season. The weather and perfect setting have meant we have had a busy time.

So many visitors from so many places have admired our village and the café. Cakes and savouries galore have been homemade in the village and the volunteers, adults and teenagers, have been wonderful. Thank you too to the loyal villagers who came every weekend.

The Live Music has been so well received that it will be included next year. Thank you to all the singers and musicians who freely gave their time and talent.

The funds raised go to the church, but the cafe is for everybody, churchgoers or not. We're doing this to help ensure that there will always be a St John's Church in Winsters. The café will be opened after Easter in 2027.

With thanks from the team: Marion Bowler, Sharon Hawkins, Marg Lester, Sheila Clapham and the Teenagers.

Not My Sort of Thing?

For some years Winsters Entertainment Group has been promoting live entertainment in Winsters. We've had some famous acts, some local acts and some that were clearly less popular!

A lot of our shows are partially underwritten by Live and Local, which enables us, in a small venue, to welcome artists we couldn't normally make work financially. This often means we are limited by the menu of acts available. Sometimes (like with the Lily Neill concert), through village contacts, we are given an opportunity to stage something different.

What we'd like most of all is to involve more villagers in the process, both young and old.

What would you like to hear and watch?

We're not asking you to join a committee, but we'd love you to drop in to the Jubilee Room on Wednesday 11th November from 7.30 pm to 9:00 p.m. to share a glass of wine and to give us your views. Hope to see you there, or if you prefer drop me a line at

Why Shopping Locally Matters

Shop locally. Save time and fuel. Keep **Winsters** thriving.

When you shop locally, you're doing more than buying what you need — you're helping to keep our community thriving.

Every pound spent at the Village Shop helps support local jobs, businesses and suppliers, keeping more money within the local economy. It also helps maintain a service that makes our village a better place to live, work and visit.

Local shops also offer something that online shopping and large supermarkets can't easily replicate: personal service. You get to know the people serving you, discover local products and producers, and often find something unexpected. Just as importantly, your custom helps ensure that these services remain available when you need them.

Shopping locally can also help support smaller, independent producers. Buying seasonal and locally sourced products can mean fresher food with fewer food miles, while choosing local businesses helps maintain the character and individuality of our communities.

But shopping locally benefits you too. A quick trip to the Shop can save you the time, fuel and expense of a journey to a supermarket further afield. No traffic, searching for a parking space or walking around a large store — just pop in, get what you need and be on your way.

Can't find what you're looking for? Just ask us. If we don't currently stock a product, ask a member of the team and, wherever possible, we'll source it and order it in for you. And remember, you can order your shopping. You can ask us in the Shop, call **01629 650683** or email **sales@winstervillageshop.com**.

Live locally? Ask Katrina or Jayne about our **Residents' Shop Account**. It's a convenient way to shop, allowing you to have your purchases charged to your account and settled later.

Don't forget, we're open 7 days a week: Monday-Saturday 8am-6pm and Sunday 10am-4pm.

Stay in touch

Keep up with what's happening at your Village Shop by subscribing to our newsletter. Just email your

first and second name to **newsletter@winstervillageshop.com** and we'll add you to the list.

You can also visit **winstervillageshop.com** and follow us on **Facebook** and **Instagram** for the latest shop news, new products, events and offers.

So next time you need something, think local first. It's good for you - and good for **Winsters**.
